## Director Desk

At **SJTIES** We plant the seeds of true and Top-notch knowledge that will grow forever. The impact of a good teacher can never be erased. I firmly believe that teachers take the place of parents in school (or coaching), they give correct way, guide and mould the character and personality of the students. As the academic head of this institution I coax and help the students to understand their abilities and become a better human being. Shaping the students and creating Results is a great responsibility. We have created amazing Results in JEE and NEET examinations and so many of our students are selected in top Engineering and medical colleges of India and Abroad.

Our highly qualified and dedicated team, well organized assignments, Regular test series and regular feedback to parents are key factors of success in **SJTIES**. When students have confidence in themselves, they are more likely to attain their goals in life and succeed. Wishing you all the best for great beginning with us. Don't let your mind wander between past and future. Conquer your present and you can Conquer your life.
